

Sale Request Summary

Your sales request is summarized below.

General Notes

- 1. The share price information shown is an estimate only and is provided by an external market data provider. The actual value you receive for your shares when the sale is executed may be different and will only be finalised when the sale is complete. Where applicable, execution commission may also be deducted from the sale proceeds.
- 2. Where applicable, any foreign exchange rate provided at this point is an estimate only provided by an external market data provider and it does not include any commissions. The actual foreign exchange rate may be different and will be finalised when the payment is processed and, where applicable, any commission deducted.
- 3. After completing your transaction, please check that all details are correct. If you find any errors or omissions, please contact Global Shares via the Helpdesk facility.
- 4. If we do not hear from you within 10 days of the transaction confirmation, all details will be assumed correct and your transaction will be final.
